

One of the things I most enjoy about serving Silicon Valley in the U.S. Congress is the opportunity to meet folks from all over our Congressional District and to hear what's on your mind.

These town meetings are open to anyone who is interested in discussing pending federal legislation or issues important to the local community.

Whether you come to a town meeting in [Campbell](#) , [Gilroy](#) , or [Santa Clara](#) , I look forward to seeing you, your family, friends and neighbors at the next town hall meeting in your neighborhood.

What should we talk about during the Town Hall?

Meeting with and learning from my constituents is the most fulfilling part of my job, and I encourage you to participate in these important events. If there is anything you'd like to discuss during the Town Hall or Green Living Forum, please [send in your question](#) .

You can also [receive my newsletter](#) to learn about issues that occur throughout the year that impact you and your family.

Together we can achieve a great deal for our region. I look forward to seeing you there.
